Weight (lb)	310

DESCRIPTION

The sofa features soft, tailored upholstery with a distinctive teak base reminiscent of a ship's hull. The arms of the sofa are rotatable by easily lifting and turning 90 degrees to form a tête-à-tête seating arrangement. The standard direction of the cushion fabric is off-the-bolt, therefore two seams run across the sofa in line with the edge of the arms. Seat cushion can be changed to fully boxed rather than waterfall to avoid any seams running across the top of the seat cushion. Teak Finish Available in Natural, Weathered, Clear Sealer, and Yacht. Fitted furniture cover is available.
