DESCRIPTION

Available through custom order only. Custom lead times of 28-30 weeks apply. The swing features soft, tailored upholstery with a distinctive teak base reminiscent of a ship's hull. The arms of the swing are rotatable by easily lifting and turning 90 degrees to form a tête-à-tête seating arrangement. Available in black or dove, the rope is made from Perennials fiber and features the same durability and cleanability that Perennials is known for.
